I told my husband that I wanted to do some naughty photos before I felt too old. He didn't think I should, but I really wanted to, so I did and didn't tell him. I'm glad I did. These photos are really hot, but I was initially reluctant to show him.

Shery

But now that I've seen them, I hope he'll like them. I didn't tell him that the photos were going to be with another man. We're an open couple, so he should be not too surprised.

COAL COCKED

As the wife of a coal miner, I could tell you a thing or two about loneliness. It was common for my husband Jeb to be gone for as long as ten days in a row. In the early stages of our marriage, I had kept myself occupied with household chores and whatnot. But eventually this proved to be inadequate.

Thankfully I had a humdinger of a dildo, which I used with much frequency. The toy was black as night, contrasting sharply with my freckled white skin. It reminded me of the many black men I had dated out in Los Angeles before coming back to West Virginia with my tail between my legs.

While in L.A. I had developed an insatiable desire for interracial sex. These days, however, it was rare for me to even see a black man. Appalachia coal country was another world, in more ways than one.

After high school, Jeb and I had dated for a few months before I had taken off for California to pursue my dream of becoming an

Lovin' the Ladies

I love to watch ladies kissing each other. There's just something really sensual about two, or three sets, of feminine lips coming together with eyes closed and mouths open. When their tongues enter the action, then that's super hot. And it's also super hot to watch one lady work her way, tongue first, down another's body to her boobs. Then suck on her nipples and leave a red lipstick mark on them. Hot! Finally, I love to see women pussy licking each other. To see a long tongue, surrounded by red lips pushing it's way past puffy labia and into a wet pussy, Super Hot! Now that I write this letter, Andrea, Laila and Kika are exactly what I'm screaming about. I encourage all lady lovers to join me in celebrating such ladies. And Zoey Holloway totally agrees as she's beautiful lady lover herself.

— Nick T., Stockton, CA

actress. Of course, I never landed a part, not even for a crummy commercial. Resigned to my humdrum fate, I had returned home and married Jeb who, in my absence, had started working in the mines.

Now, eight days into one of his marathon shifts, I lay on the bed with my legs spread, rubbing the toy's bulbous glans against my wet lips. My head propped on a pillow, I thought of Leon and Larry and Curtis and the countless other black men I had bedded while chasing my Hollywood dream.

My heart racing with excitement, I plunged the dildo into my pussy. Panting, I worked the toy in and out, pumping my hot hole with increasing urgency. Meanwhile, I slid my free hand beneath my T-shirt. I wasn't wearing a bra, sparing me the hassle of fumbling with a clasp. I rubbed and squeezed and kneaded my tits, pulling on both nipples which had grown turgid.

Writhing there atop the comforter, I raised my knees and cried out. "Oh, yeah! Give me that BIG BLACK DICK!"

My outburst coincided

with Jeb's unexpected arrival; he stood framed in the bedroom doorway, a stupefied expression on his filthy, smoot-smear'd face. I had never told him about my thing for BBC. As for the black dildo—well, I had kept that a secret as well.

But now the truth was out.

A cunning smile creased Jeb's dirty face. I imagined a lightbulb glowing above his head as he said, "This is no problem, Mona."

I had confessed the whole thing, not even bothering to ask my husband why he had come home two days early. Jeb had sat beside me on the edge of the bed, listening with rapt attention.

Now he stood, took off his filthy work clothes, and proceeded to rub his grimy face with both hands.

"What are you doing?" I asked him.

"You'll see," he said.

His hands grimy with the soot from his face, he then handled his cock, stroking and pulling until his once-white schlong was as black as the coal he mined.

"How's that?" Jeb grinned. "Black enough for you?"

Understand, size had never been the issue with Jeb's dick. His was plenty big enough. It was just the wrong damn color.

Until now . . .

Fiercely turned on by this shocking turn

of events, I leaned back on the bed and parted my thighs. Standing there beside the bed, Jeb moved into position and mounted, pushing his filthy black cock into my cunt.

I gasped as he entered me. Jeb responded with a grunt, froze for two or three seconds to get his bearings, then commenced to fucking me with a series of frenzied jabs.

Things continued in this manner until he hopped on the bed. Turning me over, Jeb maneuvered behind me and entered me from the rear. He hammered me with his newly blackened cock, holding my hips as he slammed my ass with forceful thrusts.

Undoubtedly, he was sully'ing my jewel box with his gloriously grimy cock. Nothing, I rea-

soned, that a douche and shower couldn't clean. Until then, I was having the time of my life . . .

Jeb made me come, pulled out, turned me over once again, and shot his load in my face. White spunk jetted from his ebony tool, taking me back to all those L.A. cocks I had sucked and fucked in my relentless pursuit of pleasure.

"By the way," I asked him in the shower, "why did you come home early?"

"We had an emergency at the mine," he explained. "A cave-in . . ."

"Oh no."

"It's okay. Nobody was hurt. But the mine will be closed for the rest of the week."

We took advantage of Jeb's time off, using his soot-stained clothes to keep his cock beautifully black!

JUNK FOOD

It was almost three o'clock, the second Friday of the month, my cue to take a much-needed snack break.

Rising from my desk, I felt the critical stares of my coworkers in the secretarial pool. Judgmental bitches, each and every one. And skinny, too. I had no doubt that they talked about me behind my back. Peg is gaining weight! Peg needs to lay off the cookies! Peg is turning into a regular porker!

I couldn't have cared less . . .

See, I had my reasons for indulging in junk food, my reasons for deliberately packing on the pounds. And they had absolutely nothing to do with a weakness for high caloric foods.

Oh sure, I liked chips and cookies and candy bars as much as the next gal. But my indulgence was merely a means to an end, the most direct route to get the kind of satisfaction reserved for big women.

The vending machines were in an alcove at the end of the corridor. I already knew what I wanted. Hell, I ate a package of them every day. My go-to snack . . . the chocolate and vanilla sandwich cookie . . .

I inserted a dollar in the slot, then pressed the appropriate buttons. The cookies plummeted to the scoop bin. I reached in,

grabbed the cellophane package, and proceeded to chow down right there in the hall.

The cookies served a dual purpose. They packed on the pounds, sure, which was absolutely essential if I wanted to remain attractive to my preferred partner. But they were also a symbol of what had become an obsession of mine.

Interracial sex . . .

It's true that most black men prefer bigger women. Don't ask me why, but brothers just can't resist a female with big tits, big hips and, most importantly, a big ass.

It's also true that most black men are hung like horses. If you're a white woman who values size—well, you had best ditch that white boyfriend of yours and find yourself some choice dark meat.

You won't be disappointed.

And speaking of dark meat . . . Winston, a delivery man with the vending company, was running late. He came every other Friday afternoon to fill the snack machine.

Of course, the snack machine wasn't the only thing that he filled. I made damned sure of that.

At first, he had been reluctant to reciprocate my advances, but after I had started wolfing down the cookies and gaining weight he had been more than willing to tap my abundant ass.

Now, standing there

beside the machine and chewing on my last cookie, I wondered what was taking him so long. Winston was never late. I hoped he was okay. I hoped he hadn't done something stupid and gotten himself fired from the vending company.

"There she is," his deep voice boomed as he stepped off the elevator. "A sight for sore eyes."

"It's about time. I was starting to worry."

"I got caught in a traffic jam," he told me, pushing a handcart loaded with boxes of various snack foods.

"Come on," I told him, already making a beeline for the spacious supply closet. "The snack machine can wait . . . I can't."

Winston's monstrous black mamba hammered me as I lay atop an old desk destined for the city

dump. My chunky thighs spread, I gasped with pleasure, hardly believing that my pussy could accommodate his freakishly big dick.

Gripping my ankles, he held my feet aloft as he thrust, plunging his mammoth member repeatedly. No white man had ever fucked me this good. I would never go back. Never . . .

It wasn't much longer before Winston pulled out. He moved to the side of the desk where my head lay. "If you think our cookies are good," he told me, "wait till you try this . . ."

I had sucked his dick many times, of course. Still, we liked to engage in such playful banter.

I opened my mouth. Winston filled my maw with his black baton, stretching my lips. Then, employing the same

thrusting motion he had used while screwing me, he proceeded to fuck my face.

Breathing through my nose, my eyes tearing, I felt his engorged glans press the back of my throat. My mouth filled to the max, I lowered a hand between my legs and rubbed my wet cunt, massaging my velvety lips and turgid clit.

Mine was an explosive orgasm, pairing perfectly with Winston's as he withdrew and exploded his man spunk all over my chubby face.

Dressed and satisfied, I leaned against the wall and watched Winston stock the machine with the usual assortment of treats.

"Go heavy on the chocolate sandwich cookies," I told him. "I'd hate to run out."

"I'd hate that, too," Winston said. "Those cookies are fattening. And you know how much I like that big white ass of yours."

I smiled, thinking of those anorexic cunts in the secretarial pool. They didn't know what they were missing!

I've always been attracted to big cocks. Many times the guy may not have been the most handsome, but when he pulled his pants down and his cock out, my mouth would water and my pussy would get wet. My nipples would tingle.

Elizabeth

That's when I knew I needed that cock. There are ways that you can avoid seeing a guy's face, but rarely can you avoid getting near his cock. So, bring on that big one! I'm waiting.

being a maid gives me the inside scoop

No-Tell Motels

A pro uncovers what really goes on inside those adult motels

Want to know an interesting secret? The “adult motels” you’ve no doubt heard about—the ones with circular, vibrating beds, wall and ceiling mirrors and porn flicks streaming on the TV—don’t cater only to married couples. They have special exciting deals for guys, single or married, old or young, who may be on the prowl for chicks to bang—even for pay.

I know because I am one, although management will swear I was hired as a maid. I secretly and discreetly pay the management a good chunk of my earnings for the privilege of offering sex to guys in the most erotic fuck parlors.

I’m 52-years old with a pussy that can squeeze any cock into multiple orgasms. And since my body is as great as the most gorgeously stacked movie star’s, I don’t come cheap. I offer mind-blowing fucking techniques every horny dude only dreams about. And my luscious mouth remains available throughout the entire session.

If “chambermaids” are available, clients are assigned one of the luxury fuck suites (he pays for it, not me) and asked to wait there for not more than 10 minutes. The room rates vary, depending on the length of time desired and include certain luxury fringe benefits, like the best in booze and food delivered to the door, to keep the customers happy. And the hottest porn movies are shown on a TV screen at the foot of the bed, demonstrating the most thrilling and way-out sexual techniques.

Sure, the overall cost may be pretty high, but it’s not really out of line when you consider what you get for your money.

The decor alone in these adult motels is enough to get any guy’s libido up. His partner, even if she’s paid to play like me, becomes wet-lipped with desire. I’m not kidding when I tell you that every time I sway through the door of one of these X-rated sex pits, I am eager to see what each client can deliver too.

Naturally, when I turn up at his room I’m already on the way to being stark naked. All I’m wearing, apart from my stilettos, is a clinging red sheath that exposes my cleavage right down to my waist. It’s designed to fall slinkily and slowly to my feet in front of my wide-eyed client after just one gentle tug at a zipper located at the small of my back. But before I tell my john where it is and invite him to strip me naked, I introduce myself and ask for his money. Then I suggest we have a drink.

He can have whatever he wants—scotch, bourbon, rum, martinis, a liqueur, beer or even a soft drink, if that’s what he prefers. Though he can please himself, I don’t encourage him to guzzle more than two alcoholic drinks at this stage of the game. Too much booze can dull his sexual pleasure, which I’m there to ensure his pleasure and complete satisfaction.

If he’s hungry we can take care of that in only a few minutes (many of my clients are hungry after traveling). I

BLAIR-NTS-09

I unbutton his shirt and unzip his fly. In seconds he's as naked as I am, already with a huge hard-on and a sack of balls that looks as though it's just about ready to burst.

find there's nothing better for him than a tender 12-ounce steak, with all the trimmings, downed with half a bottle of vintage red wine. This usually puts any stud in the mood for a night of sustained, vigorous fucking.

Not that my clients really need food and drink with me around. Sex is the activity uppermost in their minds. And I flatter myself that just the sight of my completely nude body—groomed and perfumed to perfection after stepping out of a warm shower—can make any guy's dick spring to attention, and stay that way.

Once a dude has observed my ready and willing body from all angles, reflected by the glittering wall and ceiling mirrors of that sumptuous sex pad, I defy him to resist me.

Let me tell you about a session with a guy I'll call Fred. "I'm all yours, honey," I murmur huskily, as I unbutton his shirt and unzip his fly. In seconds he's as naked as I am, already with a huge hard-on and a sack of balls that looks as though it's just about ready to burst. I can feel both, red hot against my velvety-soft belly, as I wrap my arms around his neck and pull him toward me. Fred reaches out for my butt cheeks, cupping each mound with a firm hand and pressing me nice and close.

Our mouths come together and I French him, flicking his tongue with mine, sucking and mashing his lips, massaging his palate and the insides of his cheeks. Three minutes of this and he's breathing hard and easing his hips away from me so that he can get his big dick into the top of my moist slit.

I let him play around there while I drop my hands to his chest and massage his nipples. Nipple play is vastly appreciated by even the most rugged men, once they have experienced it. Lots of magnificent guys get as much enjoyment out of having their nipples caressed and sucked as women do.

Gently I pull away from Fred, sliding my fluttering fingers across and down his hairy belly until I reach his straining shaft. I gasp with admiration as my fingers and thumb encircle it, and my other hand gently squeezes his balls. I jerk on his dick carefully, at the same time sinking to my knees on the plush carpet. Licking his belly button and making little moaning sounds, I drop my head closer and closer to the bulbous crown of his cock.

Still caressing his balls, I open my mouth and take the crown between my soft and generous lips. Slowly at first, then quickly, I bob my head up and down. I can feel his hands on my head, pressing down so that his big dick sinks right inside my mouth and thrusts against my throat. An expert at sucking a man off, I manipulate my throat muscles so that they close around the crown of his penis like a tight va-

gina. This gives him maximum pleasure. Soon he's groaning and writhing in ecstasy as I give him the best blowjob he ever had, or will ever experience.

I let him shoot his load inside my mouth and I can feel him still spurting vigorously as I swallow that lovely hot cum. Side glances at the mirrors show me that he's still overcome by sheer sexual joy. His handsome head is thrown back and his eyes are almost closed. He keeps gasping appreciatively, "It's the greatest, baby! You're amazing! Man, oh man, the greatest!"

His cock finally stops its spasmodic pulsing and I give

his balls one last loving squeeze as I withdraw my mouth and lick the crown with my tongue. His weapon is still three quarters erect, and I know I can bring it right up again by using my special techniques.

We lie down on the huge circular bed, its topside made even more sensual by its coverlet of soft, plush material. I position myself on my back, my legs spread-eagled and my big breasts bouncing slightly to the undulating rhythm of the rolling water beneath us. My pussy is carefully trimmed and perfumed, with the moist, red outer lips smiling invitingly.

He can see it from a hundred different angles in the mirrors surrounding us. I raise my hips slightly and move my pubic mound up and down as Fred starts sucking my nipples and probing my cunt with his questing fingers. I encourage him by dipping my middle finger into a jar of lube that has been conveniently left open on the headboard. Then I push the finger deep inside his asshole. As I rub his sensitive prostate gland I can feel his cock stand right up to attention.

They're perfect for people like us who want to get the maximum thrills out of sex.

My exposed love button is swollen by now, so after a couple of minutes I withdraw my finger from his ass and slither upward so that his mouth releases my tit, slides down my belly, and reaches my waiting snatch. I gasp with pleasure as his tongue finds my clit and circles it, applying delicious pressure all around it and making me literally squirm with desire.

"More... more!" I plead, really meaning it "Don't stop now. P-please don't stop!" I give a little scream as the sheer thrill of excruciating orgasm overwhelms me and within seconds Fred's lips, now sucking at my clit, plunge me into a second orgasm even more mind-blowing.

"Ram your cock into me, hard," I urge him. "Give it to me now and make me come again!"

He obliges magnificently and I rear against him as I feel his rock-hard shaft plunging to the hilt inside my cunt. Pumping smoothly in and out, each plunge and retraction sends waves of pure pleasure surging through my body. He shouts with appreciation and joy as we both come together in a crescendo of slapping bellies.

In the final throes of passion I prolong his pleasure by plunging my finger into his ass again. His ejaculation spasms this time last twice as long as my orgasm and a full minute passes before he relaxes.

"Baby, this is wild!" he says, smiling and trying to catch his breath. "What's next on the menu?"

"Food or sex?" I tease him, reaching for his half-erect cock and imparting encouragement. "Sex!" he replies emphatically. So with one hand still frigging him gently I reach up and flip on the TV switch. The screen lights up and a close-up of a pair of beautiful naked bodies appears, with rosy nipples erect and a man's hairy hand stroking them.

Fred doesn't need to be told what to do. His hands go to my breasts and he starts fondling them again. I continue stroking his penis leisurely as we watch the couples on the screen for a few minutes.

The porn flick shows more vivid close-ups. They include big dicks in glorious erections, ejaculating lustily into the mouths of the women fellating them or spurling cum onto the girls' smiling faces. Wide-open pussies twitch and vibrate in multiple orgasms. Penises briskly oscillate in and out of tight, wet snatches. A naked young beauty gets fucked in the front and rear at the same time by two muscular guys who make a sex sandwich out of her, while she masturbates two other guys with her hands.

Blow-ups of laughing young chicks fill the screen, as they get fucked from behind doggie-style—first in the pussy and then in the ass. Explicit shots follow of several naked

couples indulging in a no-holds-barred orgy on an exact replica of the vibrating bed we're lying on. Another couple demonstrates different arousal and screwing techniques with a sultry voice in the background, urging us to "Do it like this and enjoy!"

Fred stares, fascinated by those beautiful naked people who are sucking and fucking with unabashed delight. I can feel his cock stiffen to hardness once more. Soon we're at it again, with Fred shafting me lustily from the rear as I kneel on the bed with my ass in the air.

That's the wonderful thing about these adult motels and their amenities. They're perfect for people like us who want to get the maximum thrills out of sex. Their psychological and physical impact on people anxious to rid themselves of their sexual hang-ups is a joy to behold. I've been using porn as a turn-on, and it really gets Fred going.

The longest session I ever had was with a professional hockey player that just landed a huge contract. We had me holed up for days in that sex palace.

My shortest trick lasted eleven minutes. That was with a brand new bridegroom who just wanted to get his rocks off before servicing his wife in the next suite. That way, he figured, he could make it last longer. He came three times with me while watching a movie demonstrating masturbation techniques, and he was very reluctant to leave.

The manager of this particular motel told me recently, "People are yearning for something different in their sex lives. These kinky beds, the mirrors, the sex movies and everything else, makes men and women come on so strong."

Undoubtedly, these sex motels are still around. The owners are happy, and their customers are smiling too—that kind of dazed, satiated smile triggered by indulgence in a surfeit of wonderful, way-out, fucking.

I broke in this sofa on the very the day I met my new man Sabby. I had just split with my ex and got it on with Sabby, as soon as he came to my home from work. I dressed in my nicest corset and matching red stockings.

Claudie

I told him to strip and I would make his day worthwhile. I started with my mouth around his cock and got it quite hard. After that, he knew just what to do with it.

Red gets my blood to boiling
